Customer Advisory

Date: 25th September 2026
Dear Valued Customers

Subject: Implementation of PAD Charge for Ajman Import Shipments

Further to the latest advisory from **Khorfakkan Commercial Terminal (KCT)** regarding the mandatory transfer of **Ajman** import containers to **Sajaa**, please be informed that an additional POD charge will apply when onward bonded movement to the nominated destination in Ajman is requested.

The charge will be payable by the consignee at POD to recover the additional cost arising from the revised delivery arrangement.

Charge Details:

- **POD:** Ajman
- **Charge:** PAD
- **Quantum:** USD 1,100 per container
- **Effective from:**
    - ESL BUSAN 02634E – AEKLF
    - KMTC COLOMBO 026D1E – AEKLF
    - ESL NHAVA SHEVA 026E1E – AEKLF
    - All subsequent voyages

For new bookings, the **quotation will be adjusted accordingly to reflect the applicable cost**.

Thank you for your understanding and cooperation.
